

A TASTE OF HILTON ANATOLE

Distinctive Dining Designed for Unforgettable Experiences

On-property dining and entertainment outlets are designed to elevate the Hilton Anatole experience, whether guests are gathering for a casual welcome event, an exclusive VIP reception, or a high-energy evening out. With a dynamic mix of established restaurants and flexible pop-up concepts, we offer guests the ability to tailor their dining experience with every visit to this iconic hotel. All of this is supported by an award-winning food & beverage team and culinary talent from around the world, known for delivering exceptional quality at scale.

Standout experiences include The Saloon, serving top-notch BBQ that rivals the very best in Texas. For interactive entertainment, Topgolf Swing Suite delivers a high-energy setting with virtual golf, games, food, and cocktails - ideal for team-building or pure entertainment. Together, these dining options create a versatile, memorable portfolio that helps guests dine, connect, and celebrate without ever leaving the Hilton Anatole.
